

Accommodation List

The list is divided into two areas, Perranporth and Newquay. It is also broken down into lists of B&B's, Camping/Caravan parks and Self Catering. If you do stay at any of the places listed, please let us know whether you enjoyed your stay and if you would recommend it to others.

Perranporth and Surrounding Area

A big family holiday destination, Perranporth remains a very traditional British seaside resort, but with three miles of beach and the Wateringhole pub to watch the sunset from, it makes an ideal place for kite sports enthusiasts too. The surrounding area boasts many other stunning little coves and quaint villages including St Agnes, a historic mining village soon to be granted world heritage status.

Newquay and Surrounding Area (10 minutes from Perranporth)

The livelier area of Cornwall! Good for shopping - with an abundance of surf stores and some of the best nightlife in Cornwall. Yet just on the outskirts of town there are the most beautiful beaches where you can escape from the hustle and bustle. The charming village of Crantock is a must see and a wonderful place to stay if you prefer somewhere more quiet and secluded.
